## D. Pharmacies

This part of the Directory provides a list of pharmacies in Buckeye's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside the Northeast Region in which you live. You may also fill your prescriptions at these pharmacies. Please contact Buckeye at 1-866-549-8289 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday for additional information.

- Buckeye members must use network pharmacies to get prescription drugs.
  - You must use network pharmacies except in emergency or urgent care situations.
  - If you go to an out-of-network pharmacy for prescriptions when it is not an emergency or urgent care situation, including when you are out of the service area, call Buckeye's toll-free Member Services or 24-hour nurse advice line for assistance in getting your prescription filled.
  - If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service. Read the Buckeye *Member Handbook* for more information.
- Some network pharmacies may not be listed in this Directory.
  - Some network pharmacies may have been added or removed from our plan after this Directory was published.

For up-to-date information about Buckeye network pharmacies in your area, please visit our web site at [mmp.buckeyehealthplan.com](http://mmp.buckeyehealthplan.com) or call Member Services at 1-866-549-8289 from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on holidays, you may be asked to leave a message. Your call will be returned within the next business day. TTY users should call 711. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and Buckeye's *List of Covered Drugs*. The current List of Covered Drugs can be found on our web site at [mmp.buckeyehealthplan.com](http://mmp.buckeyehealthplan.com). Or you may contact Member Services at the number above to have one mailed to you.

**If you have questions**, please call Buckeye at 1-866-549-8289 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on holidays, you may be asked to leave a message. Your call will be returned within the next business day. ## D1. How to identify pharmacies in Buckeye's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Specialty pharmacies provide members with drugs used to treat complex or rare chronic conditions such as cancer, rheumatoid arthritis, hemophilia, and H.I.V.

You are not required to continue going to the same pharmacy to fill your prescriptions.

## D2. Long-term supplies of prescriptions

- **Mail order Programs.** We offer a mail order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.
- **90-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. **A 90-day supply has the same copay as a one-month supply.**

## E. Buckeye's network pharmacies

This pharmacy directory is organized by pharmacy type, county, and city. Look for the type of pharmacy first (for example, retail, mail order, home infusion, etc.), then look for your county and city to find a pharmacy close to your home. You can also visit the website at [mmp.buckeyehealthplan.com](http://mmp.buckeyehealthplan.com) for the most current pharmacy listing. You can go to any of the pharmacies in our network.

## E2. Mail order pharmacies

You can get prescription drugs shipped to your home through our network mail order delivery program. If the mail order pharmacy gets a prescription directly from a prescriber, they will call you first to confirm you want the drug(s). Please make sure to let the pharmacy know the best way to contact you.

You also have the choice to sign up for automated mail order delivery. Typically you should expect to get your prescription drugs within 10 days from the time that the mail order pharmacy gets the order. If you do not get your prescription drug(s) within this time, if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at 1-866-549-8289 (TTY: 711) from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on holidays, you may be asked to leave a message. Your call will be returned within the next business day. Or call your mail order pharmacy, CVS Caremark at 1-888-624-1139 (TTY: 711) and Homescrpts at 1-888-239-7690 (TTY: 711).
