## B. Providers

### B1. Key terms

This section explains key terms you'll see in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
  - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
  - Providers that are a part of our plan's network are called network providers.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a family practice physician, a general practitioner, a pediatrician, a primary care clinic, or an internal medicine physician who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - Oncologists care for patients with cancer.
  - Cardiologists care for patients with heart conditions.
  - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You also have access to a care manager and a care team that you choose. Your PCP will work closely with your care manager and care team.
  - Your **care manager** helps you manage all your providers and services. He or she works with your care team to make sure you get the care you need.

---

**If you have questions**, please call Buckeye at 1-866-549-8289 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on holidays, you may be asked to leave a message. Your call will be returned within the next business day. If you need to speak to your care manager, please call 1-866-549-8289 (TTY:711) 24 hours a day, 7 days a week. These calls are free. **For more information**, visit [mmp.buckeyehealthplan.com](http://mmp.buckeyehealthplan.com).

- Your **care team** includes doctors, nurses, counselors, or other health professionals. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that he or she can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

## B2. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider, or PCP. If you do not choose a PCP, we will assign one to you.

To choose a PCP, go to the list of providers on page 17 and:

- choose a provider that you use now, **or**
- choose a provider who has been recommended by someone you trust, **or**
- choose a provider whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call Member Services at 1-866-549-8289 from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on holidays, you may be asked to leave a message. Your call will be returned within the next business day. TTY users should call 711. The call is free. Or, visit [mmp.buckeyehealthplan.com](http://mmp.buckeyehealthplan.com).
- If you have questions about whether any service or care that you want or need is covered, talk to your care manager or call Member Services to ask **before** you get the service or care.

---

**If you have questions**, please call Buckeye at 1-866-549-8289 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. ### **B3. Long-term services and supports (LTSS)**

You may be able to get long-term services and supports (LTSS) which are also called Medicaid “waiver services,” such as home health aide services and adult day care as a Buckeye member. LTSS gives assistance to help you stay at home instead of going to a nursing home or hospital.

To access LTSS, contact your care manager at 1-866-549-8289 from 8 a.m. to 8 p.m., Monday through Friday. TTY users call 711.

---

**If you have questions**, please call Buckeye at 1-866-549-8289 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on holidays, you may be asked to leave a message. Your call will be returned within the next business day. #### **B4. How to identify providers in Buckeye’s network**

You must get all of your covered services from providers within our network. These providers have an agreement to work with us and provide you services. We call these providers “network providers.”

The exceptions to this rule are when you need long-term nursing home care, urgent or emergency care, or dialysis and cannot get to a provider in the plan, such as when you are away from home. Also, for a specific period of time after your enrollment with Buckeye, you can see your out-of-network physicians and other service providers, including nursing homes and assisted living providers, home health nurses, aides and LTSS or “waiver services” providers.

You can also go outside the plan if Buckeye gives you permission first. Call Member Services to ask for the use of providers outside of our network, so we can make arrangements for you.

- You may change providers within the network at any time during the year. If you have been going to one network provider, you do not have to keep going to that same provider. To change your PCP, call Member Services at the number below.
- Buckeye works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need to see a provider and are not sure if they offer the accommodations you need, Buckeye can help you. Talk to your care manager for assistance.

---

**If you have questions**, please call Buckeye at 1-866-549-8289 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on holidays, you may be asked to leave a message. Your call will be returned within the next business day. If you need to speak to your care manager, please call 1-866-549-8289 (TTY:711) 24 hours a day, 7 days a week. These calls are free. **For more information**, visit [mmp.buckeyehealthplan.com](http://mmp.buckeyehealthplan.com).

## **B5. How to find Buckeye providers in your area**

This provider directory is organized by provider type, then by the city. Look for the type of provider (for example, Primary Care Provider, Specialist, Hospital, etc.) then the city in which you live. You can also visit the website at [mmp.buckeyehealthplan.com](http://mmp.buckeyehealthplan.com) for the most current provider listing.
