MyCare Ohio

Opt-Out Member Handbook

mmp.buckeyehealthplan.com

New Member Information

This handbook tells you about your coverage under Buckeye. It explains how to receive health care services, behavioral health coverage, prescription drug coverage, home and community-based waiver services, also called long-term care services and supports. Long-term services and supports help you stay at home instead of going to a nursing home or hospital. You will also find additional information such as: providers that you can use to receive care (also known as network providers); member rights; additional benefits; and steps you can take if you are unhappy or disagree with something.

Besides this member handbook, you should also receive a *Buckeye member ID card* and a *New Member Letter* with important information, including information about a Provider and Pharmacy Directory. The Provider Directory lists all our panel providers as well as other non-panel providers you can use to receive services. You can also visit our website at www.mmp.buckeyehealthplan.com to view up to date provider panel information or call Member Services at 1-866-549-8289 TTY: 711 8am – 8pm Monday through Friday for assistance. Panel providers are Buckeye MyCare Ohio's contracted providers available to the Buckeye MyCare Ohio's general membership. Non-panel providers are non-contracted providers available to the Buckeye MyCare Ohio's general membership. Members enrolled in the MyCare Ohio waiver will also receive a supplement to their member handbook. This supplement provides additional information such as waiver service plan development, care management, waiver service coordination and reporting incidents.

If you do not receive these items, please call Member Services for assistance.

While Buckeye is approved by the state and federal governments to provide both Medicare and Medicaid-covered services, you chose or were assigned to receive only your Medicaid-covered services from our plan.

If you want to receive both your Medicare and Medicaid-covered services from your MyCare Ohio MCP, see page 39 for more information.

You can also access Buckeye information on our website at:
mmp.BuckeyeHealthPlan.com

All members can communicate with Buckeye through the use of the website. Each inquiry will receive a response within one business day of receipt of the message through our website. This includes, but is not limited to, requests for member information such as ID cards, member handbooks, and provider directories.

Other services offered on the website include:

- News and events
- Provider search for doctors, specialists, and facilities
- Program information

This Member Handbook is effective **January 2025**.

Welcome to Buckeye Health Plan (Buckeye). You are now a member of a MyCare Ohio health care plan, also known as a MyCare Ohio managed care plan (MCP). A MCP is an organization made up of doctors, hospitals, pharmacies, providers of long-term services and supports, and other providers. It also has care managers and care teams to help you manage all your providers and services. They all work together to provide the care you need. Buckeye provides health care services to certain Ohio residents eligible for both Medicare and Medicaid benefits.

Buckeye may not discriminate on the basis of race, color, religion, gender, gender identity, sexual orientation, age, disability, national origin, veteran's status, ancestry, health status, or need for health services in the receipt of health services.

Buckeye Health Plan is a health plan that contracts with both Medicare and Ohio Medicaid to provide benefits of both programs to enrollees.

ATTENTION: If you speak English, language assistance services, free of charge, are available to you. Call 1-866-549-8289 (TTY: 711).

Who is Eligible to Enroll

Who is Eligible to Enroll in a MyCare Ohio Plan?

You are eligible for membership in our MyCare Ohio plan as long as you:

- Live in our service area; and
- Have Medicare Parts A, B and D; and
- Have full Medicaid coverage; **and**
- Are 18 years of age or older at the time of enrollment.

You are not eligible to enroll in a MyCare Ohio managed care plan if you:

- Do not have full Medicaid benefits and Medicare Parts A, B and D;
- Are younger than age 18;
- Are enrolled in PACE (Program for All-Inclusive Care for the Elderly);
- Have any private creditable medical insurance, including retiree benefits, other than a Medicare Advantage plan; or
- Have intellectual or other developmental disabilities and receive services through a waiver or Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF-IID); or
- Are enrolled in PACE (Program for All-Inclusive Care for the Elderly).

Additionally, you have the option not to be a member of a MyCare Ohio managed care plan if you:

- Are a member of a federally recognized Indian tribe, regardless of your age.
- You are an individual who receives home and community-based waiver services through the Ohio Department of Developmental Disabilities.

If you believe that you meet any of the above criteria and should not be enrolled, please contact Member Services for assistance.

Buckeye is available only to people who live in our service area. Our service area includes Clark, Cuyahoga, Fulton, Geauga, Greene, Lake, Lorain, Lucas, Medina, Montgomery, Ottawa, and Wood. If you move to an area outside of our service area, you cannot stay in this plan. If you move, please report the move to your County Department of Job and Family Services office and Buckeye.

ID Cards

Identification (ID) Cards

You should have received a Buckeye Health Plan ID card. This one card is for all members of your family who have joined Buckeye Health Plan. This card replaces your Medicaid card. This card is good for as long as you are a member of Buckeye Health Plan. You will receive your card after enrollment. It is important to note that this card will only work for Medicaid-covered services. Any medical services covered by Medicare or a selected Medicare Advantage plan will require a different card for those benefits.

You should have received a Buckeye Health Plan membership ID card. Each member of your family who has joined Buckeye Health Plan will receive their own card. These cards replace your monthly Medicaid card. Each card is good for as long as the person is a member of Buckeye Health Plan. You will receive your card after enrollment. It is important to note that this card will only work for Medicaid-covered services. Any medical services covered by Medicare or a selected Medicare Advantage plan will require a different card for those benefits. If you have a separate Medicare Part D plan, please provide your Part D card to your pharmacy for prescription drugs.

You must show your Buckeye Health Plan member ID card and your Medicare ID card when you get any medical services or prescriptions for any of the following services:

- see your primary care provider (PCP)
- see a specialist and other provider
- dentists and vision providers
- go to the emergency room
- go to an urgent care facility
- go to the hospital for any reason
- get medical supplies
- go to the pharmacy
- go to labs or imaging providers
- go to nursing or assisted living facilities
- receive waiver service or start with a new waiver provider
- get a prescription
- have medical tests

Call Member Services as soon as possible at 1-866-549-8289 (TTY:711) if:

- you have not received your card(s) yet
- any of the information on the card(s) is wrong
- your card is damaged, lost or stolen
- you have a baby

You should always tell the provider that you also have Medicare coverage and they may want to see your red, white and blue Medicare card.

Network Providers

Network Providers

It is important to understand that members must receive Medicaid services from facilities and/or providers in Buckeye's provider network. A network provider is a provider who works with our health plan and except for pharmacy co-pays, has agreed to accept our payment as payment in full. Network providers include but are not limited to: nursing facilities, homes health agencies, medical equipment suppliers and others who provider goods and services through Medicaid. The only time you can use providers that are not in network is for services that Medicare pays for OR an out-of-network provider of Medicaid services that Buckeye has approved you to see during or after your transition of care period.

For a specified time period after your enrollment in the MyCare Ohio program, we may allow you to receive care from a provider that is not a Buckeye provider (out-of-network provider). Additionally, we may allow you to continue to receive services that were authorized by Ohio Medicaid. This is called your transition of care period. Please note, the transition periods start on the first day you are effective with **any** MyCare Ohio plan. If you change your MyCare Ohio plan, your transition period for coverage of an out-of-network provider does not start over. The *New Member Letter* has more information on transition time periods, services and providers. If you are currently seeing a provider that is not in our network or if you already have services approved or scheduled, it is important that you call Member Services immediately (today or as soon as possible) so Buckeye can arrange the services and avoid any billing issues.

You can find out which providers are in our network by calling member services at 1-866-549-8289 (TTY 1-800-750-0750) or on our website at: BuckeyeHealthPlan.com. You can also contact the Medicaid Hotline at 1-800-324-8680. TTY users should call Ohio Relay at 7-1-1, or on the Medicaid Hotline website at www.ohiomh.com. You can request a printed *Provider and Pharmacy Directory* at any time by calling Member Services at 1-866-549-8289. *Both Member Services and the website can give you the most up-to-date information about changes in our network providers.*

Primary Care

Primary Care Providers

You can continue to get Medicare services from your doctors and other Medicare providers. Your PCP will be the first point of contact for all your health needs and will work with you to direct your health care. Your PCP should work with your Buckeye care manager to coordinate your health and long-term care services. If needed, your PCP will send you to other doctors (specialists) or admit you to the hospital.

- It is important to contact your PCP before you see a specialist or after you have an urgent or emergency department visit. This allows your PCP to manage your care for the best outcomes.
- Although you do not need approval (called a referral) from your PCP to see other providers, it is still important to contact your PCP before you see a specialist or after you have an urgent or emergency department visit. This allows your PCP to manage your care for the best outcomes.

You can reach your PCP by calling the PCP's office. Your PCP's name and telephone number are printed on your Buckeye ID card.

Appointment Timeframe Standards

Buckeye contracts with providers to provide access within the following times:

- Routine appointments and physicals should be available within 28 days of request
- Primary care urgent appointments (non-life threatening) should be available within 6 hours of request
- Urgent care should be available within 24 hours.
- Urgent Specialty care within 24 hours of referral.
- Referrals to Specialist should be made within 4 weeks of request
- Emergency care should be received immediately and available 24 hours a day.
- Persistent symptoms must be treated no later than the end of the following working day after initial contact with the PCP.
- Referrals to a specialist should be scheduled within four (4) weeks of a request or shorter as medically indicated.
- Non urgent care – sick calls should be available within 72 hours of request.
- Prenatal Care patients should be seen within the following timeframes:
 - Three (3) weeks of a positive pregnancy test (home or laboratory)
 - Three (3) weeks of identification of high-risk

- Seven (7) days of request in first and second trimester
- Three (3) days of first request in third trimester
- Behavioral healthcare must be provided immediately for emergency services, within 24 hours of the request for urgent care, and within ten (10) days of the request for routine care.

If you are having trouble getting a provider appointment and need assistance, contact your Care Manager or Member Services.

Changing Your PCP

If for any reason you want to change your PCP, you must first call the Member Services Department to ask for the change. You can change your PCP monthly.

Sometimes your PCP may leave our provider network. If this happens, we will send you a letter letting you know and giving you information on a new PCP and/or how you can choose a new PCP.

Buckeye will send you a new ID card to let you know that your PCP has been changed and the date you can start seeing the new PCP.

For the names of the PCPs in our network, you may look in your provider directory if you requested a printed copy, on our website at BuckeyeHealthPlan.com, or you can call member services at 1-866-549-8289 TTY: 711 for help.

Member Services

Member Services

Please visit our website at mmp.buckeyehealthplan.com or call Member Services for assistance with the following:

- Answer questions about covered Medicare and Medicaid benefits
- Help solve problems you may be having accessing health care or prescription drugs and answer questions about prescription copays
- Answer questions about services that require prior authorization
- Help find a provider
- File a complaint or appeal
- Change your PCP
- Access interpreter services
- Change your address
- Access 24-hour care management and behavioral health services

While Buckeye is approved by the state and federal government to provide both Medicare and Medicaid covered services, you chose or were assigned to receive only your Medicaid covered services from our plan. If you want to receive both your Medicare and Medicaid covered services from your MyCare Ohio MCOP, see page 35 for more information.

Care Management

Care Management

Buckeye Health Plan offers care management services to all members. When you first join our plan, you will receive a health care needs assessment within the first 15 to 75 days of your enrollment effective date, depending on your health status. A Buckeye care manager will reach out to schedule a time to complete your assessment.

What is a Care Manager? A care manager can be a nurse, social worker or licensed professional counselor educated and trained to coordinate and manage the care of our members. This includes but is not limited to working alongside the member and their specific integrated care team (care givers, family, friends, primary care providers and other disciplines). Care managers assist with both medical and behavioral health needs while assuring social needs are met as well. Care managers within the MCOP arena also can assist Members in understanding and navigating their health benefits and diagnosis.

What is a Care Team? A care team, or integrated care team is the member, their family/friends, primary care provider, specialists, care givers and any other individuals the member identifies as their care team. Additionally, the care manager and staff at the MCOP are also part of this team and work to assure all members are part of the MBR's care and healing process.

What are the benefits to having a Care Team? Everyone on the care team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your doctors should know all of the medicines you take so they can reduce any negative effects. It is *important to note that* coordination of care is not only between care givers and providers, but also includes family/friends that will be part of your specific integrated care team.

Buckeye staff (including care managers, nurses, social workers, program coordinators, and licensed professional counselors) may contact you if your doctor has requested a phone call or care management. Buckeye may also contact you if we feel care management may be beneficial to you.

Care Management Services

Buckeye offers care management services that are available to all members. Our care management program helps members learn more about their health concerns such as:

- Asthma
- Diabetes
- Congestive heart failure (CHF)
- Coronary artery disease (CAD)
- Non-mild hypertension (high blood pressure)
- Chronic obstructive pulmonary disease (COPD)

- Severe mental illness
- Severe cognitive and/or developmental limitation
- High-risk or high-cost substance abuse disorder
- Frequent admissions or ED room visits

Care Management Services While You Are in Transition

Make sure to let your Care Manager know if you are being admitted to a nursing facility or hospital or being discharged from a facility – especially if you are receiving care from hospital or emergency room that is not in Buckeye’s network. Your Care Manager will help make sure your care is coordinated between settings so that all of your providers have information about your medications and plan of care. We want to make sure tests and labs are done just once and that providers like your PCP know the results. Your doctors will always have your permission before sharing medical information with other providers.

When you are a patient in the hospital, if you are feeling well enough to have visitors, our nurses or social workers may come to your hospital room to visit you to discuss your discharge planning needs, answer any questions you may have about our benefits and services offered, and provide information to you about our care management program. Our staff will always check with the hospital staff first before entering your room to be sure that the timing is right for us to visit you.

Additionally:

- Buckeye staff, including nurses, care managers, and outreach workers may contact the member if a doctor has requested a phone call, if the member requests the phone call, or if Buckeye feels that care management services would be helpful to the member.
- Buckeye staff may ask the member questions to learn more information about his/her conditions(s).
- Buckeye staff will provide information to help a member understand how to care for his/her self and how to access services (including local resources).
- Buckeye staff will talk to the member’s PCP and other service providers to coordinate care.
- Members should call Buckeye’s Member Services department at 1-866-549-8289 (TTY 1-800-750-0750) if they have any questions about care management services or if they feel they would benefit from care management services.

Although Buckeye provides care management services for our members, we are aware that some members would prefer to not participate. For specifically identified members, Buckeye provides an “opt-out of care management” process. If you choose to not participate in our care management program, you can decline participation at any time by notifying your care manager.

Please call Buckeye's Member Services department at 1-866-549-8289 (TTY 1-800-750-0750) if you would like more information about our care management services. You can access care management services 24 hours a day by calling Member Services. After normal business hours, it is important to contact us if you have a change in care and need immediate assistance.

Covered Services

Services Covered by Buckeye Health Plan

Medicaid helps with medical costs for certain people with limited incomes and resources. Ohio Medicaid pays for Medicare premiums for certain people, and may also pay for Medicare deductibles, co-insurance and co-payments except for prescriptions. Medicaid covers long-term care services such as home and community-based “waiver” services and assisted living services and long-term nursing home care. It also covers dental and vision services. Because you chose or were assigned to only receive Medicaid-covered services from our plan, Medicare will be the primary payer for most services. You can choose to receive both your Medicare and Medicaid benefits through Buckeye so all of your services can be coordinated. Please see page 35 for more information on how you can make this choice.

As a Buckeye member, you will continue to receive all medically-necessary Medicaid-covered services at no cost to you (see page 24).

- Acupuncture – for pain management of migraine and lower back pain.
- Ambulance and wheelchair van transportation
- Behavioral Health Services (including mental health and substance use disorder treatment) (contact Member Services at 1-866-549-8289 or TTY:711, 8 am to 8 pm, Monday thru Friday for access to behavioral health crisis services)
- Chiropractic services
- Dental services
- Durable medical equipment and supplies*
- Federally Qualified Health Center or Rural Health Clinic services
- Home and community-based waiver services
- Home health services
- Nursing facility services*
- Prescription drugs (certain drugs not covered by Medicare Part D)*
- Respite services (service is for SSI members under 21 years of age)
- Speech and hearing services, including hearing aids*
- Telehealth (see page 16 for more information)
- Vision care (optical) services, including eyeglasses*

If you must travel 30 miles or more from your home to receive covered health care services, Buckeye will provide transportation to and from the provider’s office. Please contact 1-866-549-8289 (TTY:711) for assistance.

In addition to the transportation assistance that Buckeye provides, members can still receive assistance with transportation for certain services through the local County Department of Job and Family Services Non-Emergency Transportation (NET) program. Call your County Department of Job and Family Services for questions or assistance with NET services.

If you are determined eligible and enrolled in a home- and community-based waiver program, there are also waiver transportation benefits available to meet your needs.

*Note: Some of these services require **prior authorization** by the health plan – that means we need certain information from you, your provider, or waiver services coordinator to approve the service. If we do not approve a service, we will send you information on how you can appeal our decision and your right to a state hearing.

Note: Most services received by a provider who is not part of our network require prior authorization by Buckeye. Contact your Care Manager or Member Services for more information.

Telehealth

Telehealth is the direct delivery of health care to a patient via audio and/or video. Instead of coming into the office for your appointment, you stay at your home or office and use your smartphone, tablet or computer to see and talk to your medical and behavioral health professionals. There is no cost for Medicaid members to use telehealth and telehealth removes the stress of needing transportation services.

Medicaid members can see medical and behavioral health professionals via telehealth for many illnesses and injuries, common health conditions, follow-up appointments and screenings as well as prescribing medication(s).

Check with your Medicare insurance plan for providers who offer telehealth services.

Nursing Facility/Long-Term Care

Nursing Facility/Long-Term Care Services and Supports

The Office of the State Long-Term Care Ombudsman helps people get information about long term care services in nursing homes and in your home or community, and resolve problems between providers and members or their families. They can also help you file a complaint or an appeal with our plan. For MyCare Ohio members, help with concerns about any aspect of care is available through the MyCare Ohio Ombudsman. You can call 1-800-282-1206 Monday through Friday 8:00 am to 5:00 pm. Calls to this number are free. You can submit an online complaint at: <http://aging.ohio.gov/contact/> or you can send a letter to:

Ohio Department of Aging: MyCare Ohio Ombudsman
246 N. High St/ 1st Floor
Columbus, OH 43215-240

Waiver Services

Waiver Services

MyCare Ohio Waiver services are designed to meet the needs of members 18 years or older, who are determined by the State of Ohio, or its designee, to meet an intermediate or skilled level of care. These services help individuals to live and function independently. If you are enrolled in a waiver, please see your MyCare Ohio Home- and Community-Based services waiver member handbook for waiver services information.

Healthchek (Well Child Exams)

Healthchek is Ohio's Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) benefit. Healthchek covers medical exams, immunizations (shots), health education, and laboratory tests for everyone eligible for Medicaid under the age of 21. These exams are important to make sure that young adults are healthy and are developing physically and mentally. Members under the age of 21 years should have at least one exam per year.

Healthchek also covers complete medical, vision, dental, hearing, nutritional, developmental, and behavioral health exams, in addition to other care to treat physical, mental, or other problems or conditions found by an exam. Some of the tests and treatment services may require prior authorization.

Healthchek services are available at no cost to members and include:

- Preventive check-ups for young adults under the age of 21.
- Healthchek screenings:
 - Medical exams (physical and development screenings)
 - Vision exams
 - Dental exams
 - Hearing exams
 - Nutrition checks
 - Developmental exams
 - Lead testing
- Laboratory tests (age and sex appropriate exams)
- Immunizations
- Medically-necessary follow up care to treat health problems or issues found during a screening. This could include, but is not limited to, services such as:
 - visits with a primary care provider, specialist, dentist, optometrist and other Buckeye Health Plan providers to diagnose and treat problems or issues
 - inpatient or outpatient hospital care
 - clinic visits
 - prescription drugs
- Health education

It is very important to get preventive checkups and screenings so your providers can find any health problems early and treat them, or make a referral to a specialist for treatment, before the problem gets more serious. *Remember: Some services may require a referral from your PCP or prior authorization by Buckeye Health Plan.* Also, for some EPSDT items or services, your provider may request prior authorization for Buckeye to cover things that have limits or are not covered for members over age 20. Please see page 14 to see what services require a referral and/or prior authorization.

As a part of Healthchek, care management services are available to all members under the age of 21 who have special health care needs. Please see page 11 to learn more about the care management services offered by Buckeye Health Plan.

How to obtain Healthchek services:

- Call your primary care provider and dentist to make appointments for regular check-ups. Make sure to ask for a Healthchek exam when you call your primary care provider.
- Call Buckeye member services if you have questions or need assistance finding a provider or accessing care, making an appointment, transportation, prior authorization, referrals, covered services, referrals for Women, Infant, and Children (WIC), Help Me Grow, Bureau for Children with Medical Handicaps (BCMh), Headstart, and community services such as food, heating assistance, etc.

Emergency Services

Emergency Services

Emergency services are covered by Medicare. If you have an emergency, call 911 or go to the nearest emergency room (ER) or other appropriate setting. If you are not sure whether you need to go to the emergency room, call your primary care provider or Buckeye's 24-hour nurse advice line at 1-866-246-4358 (option 7). Your PCP or the 24-hour advice line can talk to you about your medical problem and give you advice on what you should do.

Remember, if you need emergency services:

- Go to the nearest hospital emergency room or other appropriate setting. Be sure to show them your Buckeye Health Plan member ID card and your Medicare ID card.
- If the provider that is treating you for an emergency takes care of your emergency but thinks that you need other medical care to treat the problem that caused your emergency, the provider must call Buckeye Health Plan.
- Call your Buckeye PCP (or ask the hospital to call your PCP) as soon as possible. This lets your PCP know the care you received. Your PCP can then take over coordination of your care. You must contact your PCP within 24 hours to arrange follow-up care within the service area with participating providers.
- If the hospital has you stay, please make sure that our plan is called within 24 hours.

Additional Services/Benefits

Additional Services/Benefits

Buckeye also offers the following extra services and/or benefits to their members.

24-Hour Nurse Advice Line

A 24-hour, toll free phone line through which callers can reach both customer service representatives and bilingual nursing staff. The nurse triage service provides access to a broad range of health-related services including health education, urgent pharmacy re-fills, transportation for treatment, and crisis interventions.

The services listed below are available by contacting 1-866-246-4358 (TTY 1-800-750-0750): Say “Nurse” when prompted.

- Medical advice line
- Health information library
- Help in determining where to go for care
- Answers to questions about your health
- Advice about a sick child
- Information about pregnancy
- Advice on how much medicine to give your child

Not sure if you need to go to the emergency room? Sometimes, you may not be sure if you need to go to the Emergency Room. Call the 24-Hour Nurse Advice Line. They can help you decide where to go for care.

Over-The-Counter Benefit

Buckeye also offers \$25 a month toward over-the-counter items from our mail order pharmacy. Members can have items such as vitamins, antacids, first aid supplies, oral care items, and pain relievers delivered free to their home.

For more information on any of these additional benefits we provide, please call Buckeye Member Services at 1-866-549-8289 (TTY 1-800-750-0750), 8 am to 8 pm, Monday thru Friday.

Transportation

Transportation for non-emergency services (see also “Ambulance and wheelchair van services”)

You are covered for 60 one-way trips to plan-approved locations every year. Types of non-emergency transportation includes:

- Wheelchair equipped van
- Taxicab

Please call Member Services or your care manager for additional information.

If you **must** travel 30 miles or more from your home to get covered health care services, Buckeye will provide transportation to and from the provider's office.

In addition to the transportation assistance that Buckeye provides, you can still get help with transportation for certain services through the Non-Emergency Transportation (NET) program. Call your local County Department of Job and Family Services for questions or assistance with NET services.

Waiver Transportation – Limitations and Exceptions:

Waiver transportation services and the provider of such services must be identified on the waiver service plan. Waiver transportation services do not include services performed in excess of what is approved pursuant to, and specified on, the individual's waiver service plan.

Non-Covered Services

Services Not Covered by Buckeye

Buckeye will not pay for services or supplies received that are not covered by Medicaid. If you have a question about whether a service is covered, please call Member Services at 1-866-549-8289 TTY: 711 Monday through Friday 8 a.m. to 8 p.m.

Services Not Covered by Buckeye Unless Medically Necessary

Buckeye will review applicable OAC rules (e.g. 5160-1-61) and conduct a medical necessity review if appropriate. If you have a question about whether a service is covered, please call Member Services at 1-866-549-8289 TTY: 711 Monday through Friday 8 a.m. to 8 p.m.

Buckeye will not pay for the following services that are not covered by Medicaid **unless determined medically necessary**:

- Abortions except in the case of a reported rape, incest or when medically necessary to save the life of the mother
- Biofeedback services
- All services or supplies that are not medically necessary
- Assisted suicide services, defined as services for the purpose of causing, or assisting to cause, the death of an individual
- Experimental services and procedures, including drugs and equipment, not covered by Medicaid and not in accordance with customary standards of practice
- Infertility services for males or females, including reversal of voluntary sterilizations
- Inpatient treatment to stop using drugs and/or alcohol (in-patient detoxification services in a general hospital are covered)
- Paternity testing
- Plastic or cosmetic surgery that is not medically necessary
- Services for the treatment of obesity unless determined medically necessary
- Services to find cause of death (autopsy) or services related to forensic studies
- Services determined by Medicare or another third-party payer as not medically necessary
- Sexual or marriage counseling
- Voluntary sterilization if under 21 years of age or legally incapable of consenting to the procedure

This is not a complete list of the services that are not covered by Medicaid or Buckeye. If you have a question about whether a service is covered, please call the Member Services at 1-866-549-8289 (TTY:711) Monday thru Friday 8am-8pm.

Frequency Limitations

Your MyCare plan will review all requests for services from your provider. If you have a question about whether a service is covered, please call Member Services at 1-866-549-8289 (TTY:711) Monday thru Friday 8am-8pm.

Prescription Drugs – Not Covered by Medicare Part D

While most of your prescription drugs will be covered by Medicare Part D, there are a few drugs that are not covered by Medicare Part D but are covered by Buckeye Health Plan. You can view our plan's *List of Covered Drugs* on our website at www.mmp.buckeyehealthplan.com. You do not have co pays for drugs covered by our plan.

Note: Medicare-covered drugs must be obtained from Medicare. You can join Buckeye to receive all of your Medicare-covered services, including prescription drugs, from Buckeye. Contact Buckeye Member Services at 1-866-549-8289 for more information or the Ohio Medicaid Consumer Hotline at 1-800-324-8680 (www.ohiomh.com) to enroll.

We may also require that your provider submit information to us (a prior authorization request) to explain why a specific medication and/or a certain amount of a medication is needed. We must approve the request before you can get the medication. Reasons why we may prior authorize a drug include:

- There is a generic or pharmacy alternative drug available.
- The drug can be misused/abused.
- There are other drugs that must be tried first.
- Some drugs may have quantity (amount) limits.

We must approve the request before you can get the medication. Reasons why we may prior authorize a drug include:

- There is a generic or pharmacy alternative drug available.
- The drug can be misused/abused.
- There are other drugs that must be tried first.

If we do not approve a prior authorization request for a medication, we will send you information on how you can appeal our decision and your right to a state hearing. You can call member services to request information on medications that require prior authorization. You can also look on our website at www.buckeyehealthplan.com. Make sure you are only looking at the drugs with a * symbol. Please note that our list of medications that require prior authorization can change so it is important for you and/or your provider to check this information when you need to fill or refill a medication.

Member Rights

Member Rights

As a member of our health plan you have the following rights:

- To receive all information and services that our plan must provide.
- To be treated with respect and with regard for your dignity and privacy.
- To be sure that your medical record information will be kept private.
- To be able to discuss medically necessary treatment options for your condition(s), no matter the cost or benefit coverage.
- To be able to participate with practitioners in making decisions relating to your health care.
- To be given information about your health. This information may also be available to someone who you have legally approved to have the information or who you have said should be reached in an emergency when it is not in the best interest of your health to give it to you.
- To be able to take part in decisions about your healthcare. Instances believed to work against your best interest may be overridden.
- To get information on any medical care treatment, given in a way that you understand and can follow.
- To be sure others cannot hear or see you when you are getting medical care.
- To be free from any form of restraint or seclusion used as a means of force, discipline, ease, or revenge as specified in Federal regulations.
- To request, and receive a copy of your medical records, and to be able to ask that a record be changed or corrected if needed.
- To be able to say yes or no to having any information about you given out unless we have to by law.
- To be able to say no to treatment or therapy. If you say no, the doctor or our plan must talk to you about what could happen and must put a note in your medical record about it.
- To be able to file an appeal, a grievance (complaint) or state hearing. See page 27 of this handbook for information.

- To be able to get all MCOP-written member information from our plan
 - at no cost to you;
 - in the prevalent non-English languages of members in the MCOP's service area;
 - in other ways, to help with the special needs of members who may have trouble reading the information for any reason.
- To be able to get help, free of charge, from our plan and its providers if you do not speak English or need help in understanding information.
- To be able to get help, free of charge, with sign language if you are hearing impaired.
- To be told if the health care provider is a student and to be able to refuse his/her care.
- To be told of any experimental care and to be able to refuse to be part of the care.
- To make advance directives (that is a living will). See page 45 which explains about advance directives.
- To file any complaint about not following your advance directive with the Ohio Department of Health.
- To be free to carry out your rights and know that the MCOP, the MCOP's providers or the Ohio Department of Medicaid will not hold this against you.
- To know that we must follow all federal and state laws, and other laws about privacy that apply.
- To choose the provider that gives you care whenever possible and appropriate.
- To change your primary care provider (that is your doctor) no more than once a month.
- If you are a female, to be able to go to a woman's health provider in our network for Medicaid covered woman's health services.
- To be able to get a second opinion for Medicaid covered services from a qualified provider in our network. If a qualified provider is not able to see you, we must set up a visit with a provider not in our network at no cost to you.
- To get information about Buckeye Health Plan from us.
- To contact the Ohio Department of Medicaid and/or the United States Department of Health and Human Services Office of Civil Rights at the addresses below with any complaint of discrimination based on race, color, religion, gender, gender identity, sexual orientation, age, disability, national origin, military status, genetic information, ancestry, health status or need for health services.

Your Member Responsibilities

Your Membership Responsibilities

As a member of Buckeye, you also have several responsibilities. They are to learn and understand each right you have under the Medicaid and Medicare programs. That includes the responsibility to:

- Ask questions if you don't understand your rights.
- Make any changes in your health plan and primary care provider in the ways established by the Medicaid and Medicare programs and Buckeye.
- Keep your scheduled appointments.
- Have ID card with you.
- Notify PCP of emergency room treatment.
- Cancel appointments in advance when you can't keep them.
- If Buckeye is providing transportation for you to a medical appointment, you must provide a car seat for any child riding with you if the child is 4 years of age or younger, or if the child weighs less than 40 pounds.
- Always contact your PCP or Buckeye's NurseWise first for your non-emergency medical needs.
- Only go to the emergency room when you think it is an emergency.
- To share information relating to your health status with your PCP and become fully informed about service and treatment options. That includes the responsibility to:
 - Tell your PCP about your health.
 - Talk to your providers about your healthcare needs and ask questions about the different ways your healthcare problems can be treated.
 - Help your providers get your medical records.
 - Actively participate in decisions relating to safe service and treatment options, make personal choices, and take action to maintain your health. That includes the responsibility to:
 - Work as a team with your provider in deciding what healthcare is best for you.
 - Do the best you can to stay healthy.
 - Treat providers and staff with respect.

Complaints and Appeals

How to Let Buckeye Know If You Are Unhappy or Do Not Agree With a Decision We Made – Appeals and Grievances

If you are unhappy with anything about our plan or its providers you should contact us as soon as possible. This includes if you do not agree with a decision we have made. You, or someone you authorize to speak for you, can contact us. If you want to authorize someone to speak for you, you will need to let us know. Buckeye wants you to contact us so we can help you.

Complaints (Also Called Grievances)

If you contact us because you are unhappy with something about Buckeye Health Plan or one of our providers, this is called a grievance. For example, if you cannot get a timely appointment, if you think the provider office staff did not treat you fairly, or if you receive a bill you should contact us. You need to contact us within 90 calendar days from the day when you had the problem. We will give you an answer to your grievance by phone (or by mail if we can't reach you by phone) within the following time frames:

- two working days for grievances about not being able to get medical care.
- thirty calendar days for all other grievances not about being able to get medical care.

If we need more time to make a decision for either an appeal or a grievance, we will send you a letter telling you that we need to take up to 14 more calendar days. That letter will also explain why we need more time. If you think we need more time to make a decision on your appeal or grievance, you can also ask us to take up to 14 calendar days.

You also have the right at any time to file a complaint by contacting the:

Ohio Department of Medicaid
Bureau of Managed Care
P.O. Box 182709
Columbus, Ohio 43218-2709
1-800-324-8680

Ohio Department of Insurance

3rd Floor – Suite 300
Columbus, Ohio 43215
1-800-686-1526

Appeals

If you do not agree with certain decisions/actions made by our plan, and you contact us within 60 calendar days to ask that we change our decision/action, this is called an appeal.

We will send you something in writing if we make a decision to:

- Deny, or only give partial approval for, a request to cover a service;
- Reduce, suspend or stop services that we had approved before you receive all of the services that were approved; or
- Deny payment for a service you received that is not covered by *Buckeye Health Plan*.

We will also send you something in writing if, by the date we should have, we did not:

- Make a decision on whether to cover a service requested for you, or
- Give you an answer to something you told us you were unhappy about.

If you do not agree with the decision or action listed in the letter, and you contact us **within 60 calendar days** of getting our letter to ask that we change our decision or action, this is called an **appeal**. The 60 calendar day period begins on the day after the mailing date on the letter. If we have made a decision to reduce, suspend or stop services before you receive all the services that were approved, your letter will tell you how you can keep receiving the services if you choose and when you may have to pay for the services.

Unless we tell you a different date, we must give you an answer to your appeal in writing within 15 calendar days from the date you contacted us. If we do not change our decision or action as a result of your appeal, we will notify you of your right to request a state hearing. **You may only request a state hearing after you have gone through Buckeye's appeal process.**

How to Contact Our Plan with a Grievance or Appeal

- Call the Member Services Department at 1-866-549-8289, or
- Fill out the form in your member handbook see page 33
- Call the Member Services Department to request they mail you a form, or
- Visit our website at BuckeyeHealthPlan.com, or
- Write a letter telling us what you are unhappy about. Be sure to put your first and last name, the number from the front of your Buckeye member ID card, and your address and telephone number in the letter so that we can contact you, if needed. You should also send any information that helps explain your problem.

Mail the form or your letter to:

State Hearings

State Hearings

If you do not agree with certain decisions/actions made by our plan, you can also ask the state to change our decision/action by requesting a state hearing. A state hearing is a meeting with you, someone from the County Department of Job and Family Services, someone from our plan and a hearing officer from the Ohio Department of Job and Family Services. We will explain why we made our decision and you will tell why you think we made the wrong decision. The hearing officer will listen and then make a decision based upon the information given by you and Buckeye Health Plan.

We will notify you of your right to request a state hearing when a:

- Decision is made to deny, or only give partial approval for, a request to cover a service.
- Decision is made to reduce, suspend, or stop services that we previously approved before all of the approved services are received.
- Provider is billing you for services he/she provided. If you receive a bill, contact member services as soon as possible. We will first try and contact the provider to see if he/she will agree to stop billing.
 - If you are on the MyCare Ohio Waiver, you may have other state hearing rights. Please refer to your Home & Community-Based Services Waiver Member Handbook regarding waiver eligibility and services.

If you want a state hearing, you must request a hearing within **90 calendar days**. The 90 calendar day period begins on the day after the mailing date on the hearing form. If we made a decision to reduce, suspend, or stop services before all of the approved services are received and you request the hearing within 15 calendar days from the mailing date on the form, we will not take the action until all approved services are received or until the hearing is decided, whichever date comes first. You may have to pay for services you receive after the proposed date to reduce, suspend, or stop services if the hearing officer agrees with our decision.

How to Request a State Hearing

You may only request a state hearing after you have gone through Buckeye Health Plan's appeal process.

To request a hearing:

- You can sign and return the state hearing form to the address or fax number listed on the on the form,
- Call the Bureau of State Hearings at 1-866-635-3748,
- Submit your request online at https://hearings.jfs.ohio.gov/apps/share/#_frmlogin

- Submit your request via e-mail at bsh@jfs.Ohio.gov

If you want information on free legal services but don't know the number of your local legal aid office, you can call the Ohio State Legal Services Association at 1-800-589-8889.

State hearing decisions are usually issued no later than 70 calendar days after the request is received. You or your authorized representative can ask for a faster decision, called an expedited decision. Expedited decisions are for situations when making the decision within the standard time frame could seriously jeopardize your life or health or ability to attain, maintain, or regain maximum function. If the Bureau of State Hearings decides that your health condition meets the criteria for an expedited decision, the decision will be issued as quickly as needed, but no later than three (3) working days after the request is received.

Plan Coverage

Accidental Injury or Illness (Subrogation)

If you have to see a doctor for an injury or illness that was caused by another person or business, you must call the member services department to let us know. For example, if you are hurt in a car wreck, by a dog bite, or if you fall and are hurt in a store then another insurance company might have to pay the doctor's and/or hospital's bill. When you call we will need the name of the person at fault, their insurance company and the name(s) of any attorneys involved.

Other Health Insurance (Coordination of Benefits - COB)

We are aware that you also have health coverage through Medicare. If you have any other health insurance with another company, it is very important that you call the member services department and your county caseworker about the insurance. It is also important to call member services and your county caseworker if you have lost health insurance that you had previously reported. Not giving us this information can cause problems with getting care and with bills.

Loss of Insurance Notice (Certificate of Creditable Coverage)

Anytime you lose health insurance, you should receive a notice, known as a certificate of creditable coverage, from your old insurance company that says you no longer have insurance. It is important that you keep a copy of this notice for your records because you might be asked to provide a copy.

Loss of Medicaid Eligibility

It is important that you keep your appointments with the County Department of Job and Family Services. If you miss a visit or don't give them the information they ask for, you can lose your Medicaid eligibility. If this happened, our plan would be told to stop your membership as a Medicaid member and you would no longer be covered.

Automatic Renewal of MCP Membership

If you lose your Medicaid eligibility but it is started again within 90 days, you will automatically be re-enrolled in Buckeye.

Ending Your MCP Membership

You live in a MyCare Ohio mandatory enrollment area which means you must select a MyCare Ohio managed care plan unless you meet one of the exceptions listed on page 5. If your area would change to a voluntary enrollment area, the Ohio Department of Medicaid would notify you of the change.

Because you chose or were assigned to receive only have your Medicaid benefits through Buckeye, you can only end your membership at certain times during the year. You can choose to end your membership during the first three (3) months of your initial membership or during the annual open enrollment month. The Ohio Department of Medicaid will send you something in the mail to let you know when it is your annual open enrollment month. If you live in a MyCare Ohio mandatory enrollment area, you must choose another MyCare Ohio plan to receive your health care.

If you want to end your membership during the first three months of your membership or open enrollment month you can call the Medicaid Hotline at 1-800-324-8680. TTY users should call Ohio Relay at 7-1-1. You can also submit a request on-line to the Medicaid Hotline website at www.ohiomh.com. Most of the time, if you call before the last 10 days of the month, your membership will end the first day of the next month. If you call after this time, your membership will not end until the first day of the following month. If you chose another managed care plan, your new plan will send you information in the mail before your membership start date.

Choosing a New Plan

If you are thinking about ending your membership to change to another health plan, you should learn about your choices—especially if you want to keep your current provider(s). Remember, each health plan has a network of providers you must use. Each health plan also has written information that explains the benefits it offers and the rules you must follow. If you would like written information about a health plan you are thinking of joining or if you simply would like to ask questions about the health plan, you may either call the plan or call the Medicaid Hotline at 1-800-324-8680. TTY users should call Ohio Relay at 7-1-1. You can also find information about the health plans in your area by visiting the Medicaid Hotline website at www.ohiomh.com.

Choosing to Receive Both Your Medicare and Medicaid Benefits from a MyCare Ohio Plan

You can request to receive both your Medicare and Medicaid benefits from Buckeye and allow us to serve as your single point of contact for all of your Medicare and Medicaid services.

If you would like more information or to request this change you can contact the Medicaid Hotline at 1-800-324-8680. TTY users should call Ohio Relay at 7-1-1.

Just Cause Membership Terminations

Sometimes there may be a special reason that you need to end your health plan membership. This is called a “just cause” membership termination. Before you can ask for a just cause membership termination you must first call your MyCare Ohio plan and give them a chance to resolve the issue. Requesting a just cause membership termination will not return you to the Medicaid Fee-For-Service (FFS) program, but it may allow you to change your health plan outside of the open enrollment period.

If MyCare Ohio plan cannot resolve the issue, you can ask for a just cause termination at any time if you have one of the following reasons:

1. You move and your current MCP is not available where you now live and you must receive non-emergency medical care in your new area before your MCP membership ends.
2. The MCP does not, for moral or religious objections, cover a medical service that you need.
3. Your doctor has said that some of the medical services you need must be received at the same time and all of the services aren't available on your MCP's panel.
4. You have concerns that you are not receiving quality care and the services you need are not available from another provider on your MCP's panel.
5. Lack of access to medically necessary Medicaid-covered services or lack of access to providers that are experienced in dealing with your special health care needs.
6. The PCP that you chose is no longer on your MCP's panel and he/she was the only PCP on your MCP's panel that spoke your language and was located within a reasonable distance from you. Another health plan has a PCP on their panel that speaks your language that is located within a reasonable distance from you and will accept you as a patient.
7. Other - If you think staying as a member in your current health plan is harmful to you and not in your best interest.

You may ask to end your membership for Just Cause by calling the Medicaid Hotline at 1-800-324-8680. TTY users should call Ohio Relay at 7-1-1. The Ohio Department of Medicaid will review your request to end your membership for just cause and decide if you meet a just cause reason. You will receive a letter in the mail to tell you if the Ohio Department of Medicaid will end your membership and the date it ends. If you live in a mandatory enrollment area, you will have to choose another managed care plan to receive your health care unless the Ohio Department of Medicaid tells you differently. If your just cause request is denied, the Ohio Department of Medicaid will send you information that explains your state hearing right for appealing the decision.

Things to Keep in Mind If You End Your Membership

If you have followed any of the above steps to end your membership, remember:

Continue to use Buckeye doctors and other providers until the day you are a member of your new health plan, unless you are still in your transition.

If you chose a new health plan and have not received a member ID card before the first day of the month when you are a member of the new plan, call the plan's Member Services Department. If they are unable to help you, call the Medicaid Hotline at 1-800-324-8680. TTY users should call Ohio Relay at 7-1-1.

If you have chosen a new health plan and have any medical visits scheduled, please call your new plan to be sure that these providers are on the new plan's list of providers and any needed paperwork is done. Some examples of when you should call your new plan include: when you have an appointment to see a new doctor, a surgery, blood test or x-ray scheduled and especially if you are pregnant.

Can Buckeye End My Membership?

Buckeye may ask the Ohio Department of Medicaid to end your membership for certain reasons. The Ohio Department of Medicaid must okay the request before your membership can be ended.

The reasons that we can ask to end your membership are:

- For fraud or for misuse of your member ID card
- For disruptive or uncooperative behavior to the extent that it affects the MCP's ability to provide services to you or other members.

Buckeye provides services to our members because of a contract that our plan has with the Ohio Department of Medicaid. **If you want to contact the Ohio Department of Medicaid you can call or write to:**

At Buckeye Health Plan your privacy is important to us. We will do all we can to protect your health records. By law, we must protect your health records and send you this notice.

This notice tells you how we use your health records. It describes when we can share your records with others. It explains your rights about the use of your health records. It also tells you how to use those rights and who can see your health records. This notice does not apply to information that does not identify you.

When we talk about your health records in this notice, it includes any information about your past, present or future physical or mental health while you are a member of Buckeye Health Plan. This includes providing health care to you. It also includes payment for your health care while you are our member.

How We Use or Share Your Health Records

Here are ways we may use or share your health records:

- To help pay your medical bills given to us by health care providers.
- To help your health care providers give you the proper care. For example, if you are in the hospital, we may give them your records sent to us by your doctor.
- To help manage your health care. For example, we might talk to your doctor to suggest a disease or wellness program that could help improve your health.
- To help resolve any appeals or grievances filed by you or a health care provider with Buckeye Health Plan or the State of Ohio.
- To assist others who help us provide your health services. We will not share your records with these outside groups unless they agree to protect your records.
- For public health or disaster relief efforts.
- To remind you if you have a doctor's visit coming up.
- To give you information about other health care treatments and programs, such as information on how to stop smoking or lose weight.

State and federal laws may call for us to give your health records to others for the following reasons:

- To state and federal agencies that control us, such as the Ohio Department of Medicaid.
- For public health actions. For example, the Food and Drug Administration may need to check or track medicines and medical device problems.
- To public health groups if we believe there is a serious public health or safety threat.
- To a health agency for certain activities, such as audits, inspections, licensure and disciplinary actions.
- To a court or administrative agency.
- To law enforcement. For example, we may give your records to a law enforcement officer to identify or locate a suspect, fugitive, material witness or missing person.
- To a government person about child abuse, neglect or violence in your home.
- To a coroner or medical examiner to identify a dead person or help find a cause of death or to a funeral director to help them carry out their duties.
- For procurement, banking or transplantation of organs.
- For special government roles, such as military and veteran activities, national security and intelligence activities, and to help protect the President and others.
- Regarding job-related injuries due to your state's worker compensation laws.

If one of the above reasons does not apply, we must get your written approval to use or share your health records with others. If you change your mind, you may stop your written approval at any time.

What Are Your Rights?

The following are your rights about your health records. If you would like to use any of the following rights, please contact us. We can be reached at **1-866-549-8289**.

- ***You have the right to ask us to give your records only to certain people or groups and to say for what reasons.*** You also have the right to ask us to stop your records from being given to family members or others who are involved in your health care. Please note that while we will try to honor your wishes, the law does not make us do so.
- ***You have the right to ask to get confidential communications of your health records.*** For example, if you believe that you would be harmed if we send your records to your current mailing address, you can ask us to send your health records by other means. Other means might be fax or an alternate address.
- ***You have the right to view and obtain a copy of all the records we keep about you in your designated record set.*** This consists of anything we use to

make decisions about your health. It includes enrollment, payment, claims processing and medical management records.

Using Advance Directives to State Wishes About Your Medical Care.

Many people today worry about the medical care they would get if they became too sick to make their wishes known. Some people may not want to spend months or years on life support. Others may want every step taken to lengthen life.

You Have a Choice

A growing number of people are acting to make their wishes known. You can state your medical care wishes in writing while you are healthy and able to choose. Your health care facility must explain your right to state your wishes about medical care. It also must ask you if you have put your wishes down in writing.

This information explains your rights under Ohio law to accept or refuse medical care. It will help you choose your own medical care. This information also explains how you can state your wishes about the care you would want if you could not choose for yourself. This information does not contain legal advice, but will help you understand your rights under the law. For legal advice, you may want to talk to a lawyer. For information about free legal services, call 1-800-589-5888 Monday through Friday, 8:30 a.m. - 5 p.m.

What Are My Rights?

You have the right to choose your own medical care. If you don't want a certain type of care, you have the right to tell your doctor you don't want it.

What If I'm Too Sick to Decide? What If I Can't Make My Wishes Known?

Most people can make their wishes about their medical care known to their doctors. But some people become too sick to tell their doctors about the type of care they want.

Under Ohio law, you have the right to fill out a form while you're able to act for yourself. The form tells your doctors what you want done if you can't make your wishes known.

What Kinds of Forms Are There?

Under Ohio law, there are four different forms, or advance directives, you can use. You can use either a Living Will, a Declaration for Mental Health Treatment, a Durable Power of Attorney for medical care or a Do Not Resuscitate (DNR) Order.

You fill out an advance directive while you're able to act for yourself. The advance directive lets your doctor and others know your wishes about medical care.

Do I Have to Fill Out an Advance Directive Before I Get Medical Care?

No. No one can make you fill out an advance directive. You decide if you want to fill one out.

Who Can Fill Out an Advance Directive?

Anyone 18 years old or older who is of sound mind and can make his or her own decisions can fill one out.

Do I need a lawyer?

No, you don't need a lawyer to fill out an advance directive. Still, you may decide you want to talk with a lawyer.

Do the People Giving Me Medical Care Have to Follow My Wishes?

Yes, if your wishes follow state law. However, Ohio law includes a conscience clause. A person giving you medical care may not be able to follow your wishes because they go against his or her conscience. If so, they will help you find someone else who will follow your wishes.

Living Will

This form allows you to put your wishes about your medical care in writing. You can choose what you would want if you were too sick to make your own wishes known. You can state when you would or would not want food and water supplied artificially.

How does a Living Will work?

A Living Will states how much you want to use life-support methods to lengthen your life. It takes effect only when you are:

- In a coma that is not expected to end, OR
- Beyond medical help with no hope of getting better and can't make your wishes known, OR
- Expected to die and can't make your wishes known.

The people giving you medical care must do what you say in your Living Will. A Living Will gives them the right to follow your own wishes.

Only you can change or cancel your Living Will. You can do so at any time.

Do-Not Resuscitate Order

State regulations offer a Do Not Resuscitate (DNR) Comfort Care and Comfort Care Arrest Protocol as developed by the Ohio Department of Health. A DNR Order means a directive issued by a physician or, under certain circumstances, a certified nurse practitioner or clinical nurse specialist, which identifies a person and specifies that CPR should not be administered to the person so identified. CPR means cardio-resuscitation or a component of cardiopulmonary resuscitation, but it does not include clearing a person's airway for a purpose other than as a component of CPR.

The DNR Comfort Care and Comfort Care Arrest Protocol lists the specific actions that paramedics, emergency medical technicians, physicians or nurses will take when attending to a patient with a DNR Comfort Care or Comfort Care Arrest order. The protocol also lists what specific actions will not be taken.

You should talk to your doctor about the DNR Comfort Care and Comfort Care Arrest order and protocol options.

Durable Power of Attorney

A Durable Power of Attorney for medical care is different from other types of powers of attorney. This brochure talks only about a Durable Power of Attorney for medical care, not about other types of powers of attorney.

A Durable Power of Attorney allows you to choose someone to carry out your wishes for your medical care. The person acts for you if you can't act for yourself. This could be for a short or a long while.

Who Should I Choose?

You can choose any adult relative or friend whom you trust to act for you when you can't act for yourself. Be sure to talk with the person about what you want. Then write down what you do or don't want on your form. You should also talk to your doctor about what you want. The person you choose must follow your wishes.

When does my Durable Power of Attorney for medical care take effect?

The form takes effect only when you can't choose your care for yourself, whether for a short or long while. This form allows your relative or friend to stop life support only in the following circumstances:

- If you are in a coma that is not expected to end, OR
- If you are expected to die.

Declaration for Mental Health Treatment

A Declaration for Mental Health Treatment gives more specific attention to mental health care. It allows a person, while capable, to appoint a proxy to make decisions on his or her behalf when he or she lacks the capacity to make a decision. In addition, the declaration can set forth certain wishes regarding treatment. The person can indicate

medication and treatment preferences, and preferences concerning admission/retention in a facility.

The Declaration for Mental Health Treatment supersedes a Durable Power of Attorney for mental health care, but does not supersede a Living Will.

Advance Directives

What Is the Difference Between a Durable Power of Attorney for Medical Care and a Living Will?

Your Living Will explain, in writing, the type of medical care you would want if you couldn't make your wishes known. Your Durable Power of Attorney lets you choose someone to carry out your wishes for medical care when you can't act for yourself.

If I Have a Durable Power of Attorney for Medical Care, Do I Need a Living Will, too?

You may want both. Each addresses different parts of your medical care.

Your Living Will makes your wishes known directly to your doctors, but states only your wishes about the use of life-support methods.

A Durable Power of Attorney for medical care allows a person you choose to carry out your wishes for all of your medical care when you can't act for yourself. A Durable Power of Attorney for medical care does not supersede a Living Will.

Can I Change My Advance Directive?

You, you can change your advance directive whenever you want. If you already have an advance directive, make sure it follows Ohio's law (effective October 10, 1991).

You may want to contact a lawyer for help. It is a good idea to look over your advance directives from time to time. Make sure they still say what you want and that they cover all areas.

If I Don't Have an Advance Directive, Who Chooses My Medical Care When I Can't?

Ohio law allows your next-of-kin to choose your medical care if you are expected to die and can't act for yourself. If you are in a coma that is not expected to end, your next-of-kin could decide to stop or not use life support after 12 months. Your next-of-kin may be able to decide to stop or not use artificially supplied food and water also (see below).

Other Matters to Think About

What About Stopping or Not Using Artificially Supplied Food and Water?

Artificially supplied food and water means nutrition supplied by way of tubes placed inside you. Whether you can decide to stop or not use them depends on your state of health.

- **IF** you are expected to die and can't make your wishes known
AND your Living Will simply states you don't want life-support methods used to lengthen your life,
THEN artificially supplied food and water can be stopped or not used.
- **IF** you are expected to die and can't make your wishes known,
AND you don't have a Living Will
THEN Ohio law allows your next-of-kin to stop or not use artificially supplied food and water.
- **IF** you are in a coma that is not expected to end,
AND your Living Will states you don't want artificially supplied food and water
THEN artificially supplied food and water may be stopped or not used.
- **IF** you are in a coma that is not expected to end,
AND you don't have a Living Will,
THEN Ohio law allows your next-of-kin to stop or not use artificially supplied food and water. However, he or she must wait 12 months and get approval from a probate court.

By filling out an advance directive, am I taking part in euthanasia or assisted suicide?

No, Ohio law doesn't allow euthanasia or assisted suicide.

Where Do I Get Advance Directive Forms?

Many of the people and places that give you medical care have advance directives forms. Ask the person who gave you this brochure for an advance directive form – either a Living Will, a Durable Power of Attorney for medical care, a DNR Order, or a Declaration for Mental Health Treatment. A lawyer could also help you.

What Do I Do with My Forms After Filling Them Out?

You should give copies to your doctor and health care facility to put into your medical record. Give one to a trusted family member or friend. If you have chosen someone in a Durable Power of Attorney for medical care, give that person a copy. Put a copy with your personal papers. You may want to give one to your lawyer or clergy person. Be sure to tell your family or friends about what you have done. Don't just put these forms away and forget about them.

Organ and Tissue Donation

Ohioans can choose whether they would like their organs and tissues to be donated to others in the event of their death. By making their preference known, they can ensure that their wishes will be carried out immediately and that their families and loved ones will not have the burden of making this decision at any already difficult time. Some examples of organs that can be donated are heart, lungs, liver, kidneys and pancreas. Some examples of tissues that can be donated are skin, bone, ligaments, veins and eyes.

There are two ways to register to become an organ and tissue donor:

- You can state your wishes for organ and/or tissue donation when you obtain or renew your Ohio Driver License or State I.D. Card, or
- You can complete the Donor Registry Enrollment Form that is attached to the Ohio Living Will Form, and return it to the Ohio Bureau of Motor Vehicles.
