D. List of network pharmacies

This part of the Directory provides a list of pharmacies in Buckeye's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

Buckeye members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency or urgent care situation, including when you are out of the service area, call Buckeye's toll-free Member Services or 24-hour nurse advice line for assistance in getting your prescription filled.
- If you use out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the Buckeye *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about Buckeye network pharmacies in your area, please visit our web site at mmp.buckeyehealthplan.com or call Member Services at 1-866-549-8289 from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on holidays, you may be asked to leave a message. Your call will be returned within the next business day. TTY users should call 711. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and Buckeye's *List of Covered Drugs*. The current *List of Covered Drugs* can be found on our web site at mmp.buckeyehealthplan.com. Or you may contact Member Services at the number above to have one mailed to you.

D1. How to identify pharmacies in Buckeye's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Specialty pharmacies provide members with drugs used to treat complex or rare chronic conditions such as cancer, rheumatoid arthritis, hemophilia, and H.I.V.

 **If you have questions**, please call Buckeye at 1-866-549-8289 (TTY: 711), from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on holidays, you may be asked to leave a message. Your call will be returned within the next business day. If you need to speak to your care manager, please call 1-866-549-8289 (TTY:711) 24 hours a day, 7 days a week. These calls are free. **For more information**, visit mmp.buckeyehealthplan.com.

You are not required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- **Mail Order Programs.** We offer a mail order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.
- **90-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. **A 90-day supply has the same copay as a one-month supply.**
