## Welcome

Welcome! This handbook was prepared to give you an overview of the MyCare Ohio Home and Community-Based Services (HCBS) Waiver (Waiver) with Buckeye Health Plan-MyCare Ohio. It is a supplement to your Member Handbook, intended to provide you with basic information about the Waiver. Please refer to your Member Handbook for other important information.

Now that you are enrolled in the waiver, you will also have a waiver service coordinator to help you with potential issues that may arise while enrolled. This may be the same person or someone different than your care manager.

The team of professionals mentioned above is called your care team and will be led by your care manager. Members of the care team may consist of you, your primary care provider, your waiver service coordinator, medical specialists, and others as requested by you, such as family members, other caregivers, and supports. Let your care manager or waiver service coordinator know if there is anyone specific you want to include on your care team.

Your waiver service coordinator will review the content in this handbook every year during your annual reassessment. Please refer to it often for information or answers to questions. ## Waiver person-centered service plan development

Service planning and care coordination help to address changes you may encounter with your personal circumstances and/or medical conditions over time. The service planning process must be tailored and revised as often as necessary to best address your needs.

The person-centered service plan is a written outline of your waiver services necessary to keep you safely in the community. It identifies goals, objectives, and outcomes related to your health, as well as the treatments and services you receive.

As a member enrolled in the MyCare Ohio Waiver, you have choice and control over the provision of waiver services you receive by actively participating in the service planning process. You decide who should participate in the service planning process.

Your waiver service coordinator is responsible for ensuring all your identified needs are included and addressed in your person-centered service plan. That includes helping you explore all services available to meet your specific needs. You will have the opportunity to identify how you want the services noted at the introduction of this handbook to be delivered, including finding the setting that best meets your needs.

The waiver service coordinator will also help you decide what types of providers you want rendering your services, based on how involved you want to be in managing their services. The MyCare Ohio Waiver has the following available providers:

- Self-directed: You hire and manage the provider or the service budget.
- Provider-managed: An agency provider identifies and manages staff.
- Non-agency: Independent providers who manage themselves.

All providers must be enrolled with ODM and contracted with your MyCare plan. If you find a provider who is not enrolled or contracted, the MyCare plan can assist the provider with the enrollment and contracting process.

 **If you have questions**, please call Buckeye Health Plan-MyCare Ohio Member Services 1-866-549-8289 (TTY: 711) 8:00 am to 8:00 pm. The call is free. **For more information**, visit [mmp.buckeyehealthplan.com](http://mmp.buckeyehealthplan.com). A waiver service coordinator or a care manager can be contacted at any time at 1-866-549-8289.

You and the service providers identified on your person-centered service plan must sign the service plan, or other document requested by your care manager or waiver service coordinator, to indicate agreement with the plan.

After your plan is developed and approved, your waiver service coordinator will continue to help by arranging the start of services and making sure services are delivered to meet your needs, according to the plan.

### **Person-centered service plan contents**

During the service planning process, you will identify all the services and supports you receive from any sources other than the MyCare Ohio Waiver that help meet your needs so they can be considered in the development of the plan.

Service planning includes identifying and arranging for waiver services that support but do not replace help from people such as neighbors, friends, family, etc. Person-centered service plans are updated at least once each year or as your needs change.

Your person-centered service plan documents how your needs will be met and where you choose to receive services. It must address all the following:

- Your strengths, goals, and desired outcomes.
- Your medical, behavioral health, and personal care needs and how those will be met.
- Services that may be needed to keep your environment clean and safe, including any adaptations necessary to meet your needs.
- Services that may be needed to help you maintain participation in school, work, or other activities.
- Medical and personal care supplies you need and how you will receive those, including medications and equipment.
- Back-up plan for when a paid provider is unavailable for services.
- Services or safety measures to mitigate any risks for you, including accommodations or modifications needed in the setting where you receive services.

**If you have questions**, please call Buckeye Health Plan-MyCare Ohio Member Services 1-866-549-8289 (TTY: 711) 8:00 am to 8:00 pm. The call is free. **For more information**, visit [mmp.buckeyehealthplan.com](http://mmp.buckeyehealthplan.com). A waiver service coordinator or a care manager can be contacted at any time at 1-866-549-8289.

Your person-centered service plan identifies the specific tasks and activities your service provider(s) will deliver to meet your needs. It will also specify how much, how often, and how long you will receive the services. The person-centered service plan is necessary for your service providers to be paid and to help your waiver service coordinator ensure you are getting the services you need.

**If you have questions**, please call Buckeye Health Plan-MyCare Ohio Member Services 1-866-549-8289 (TTY: 711) 8:00 am to 8:00 pm. The call is free. **For more information**, visit [mmp.buckeyehealthplan.com](http://mmp.buckeyehealthplan.com). ## Transition period

### Transition to the MyCare Ohio Waiver

If you were enrolled on PASSPORT, Assisted Living, or Ohio Home Care Medicaid Waiver immediately prior to enrolling on the MyCare Ohio Waiver, the MyCare plan will continue your services to minimize service disruptions.

Your existing services and providers will be maintained for a period of time, depending upon the type of service. Your services and service providers will remain in place, except in the following situations:

- You request a change.
- There is a significant change in your health, your condition, or your needs.
- Your provider gives notice of their intent to discontinue services.
- Issues are identified that affect your health and welfare.

So long as none of the above exceptions apply, your existing service levels and providers will be maintained while you are enrolled on the MyCare Ohio Waiver as follows:

#### Direct Care services:

Personal care, waiver nursing, home care attendant, Choices home care attendant, out-of-home respite, enhanced community living, adult day health services, social work counseling, community integration.

If you were receiving any of these direct care services, you can continue to receive these services at the same authorized level and with the same service provider(s) for at least 365 days from the date you enrolled in the MyCare Ohio Waiver.

#### Assisted Living services:

If you were receiving Assisted Living services, you can continue to receive the same authorized service from the same provider while you are enrolled in the MyCare Ohio Waiver.

**If you have questions**, please call Buckeye Health Plan-MyCare Ohio Member Services 1-866-549-8289 (TTY: 711) 8:00 am to 8:00 pm. The call is free. **For more information**, visit [mmp.buckeyehealthplan.com](http://mmp.buckeyehealthplan.com). A waiver service coordinator or a care manager can be contacted at any time at 1-866-549-8289.

### Self-directed services:

If you were already self-directing your services through a Medicaid waiver, you may keep your current provider for at least 365 days with the same service amount at the same rate, unless your waiver service coordinator determines:

- You no longer need these services.
- You and your authorized representative can no longer be the employer.
- You no longer have an authorized representative, if needed.

### All other waiver services:

For all other waiver services that you were receiving while enrolled on one of the Medicaid waivers immediately prior to enrolling on the MyCare Ohio waiver, those services can be maintained at the same authorized level for at least 365 days after enrollment in the MyCare Ohio waiver. The same service provider(s) can be maintained for at least 90 days.

### End of transition period:

Before any services or providers are changed, your waiver service coordinator will meet with you to review your person-centered service plan and discuss any needed changes. If a change in provider is required for any reason, you will be provided with information regarding other available providers.

### **Transitions from the MyCare Ohio Waiver:**

Similar to when you begin services with the MyCare Ohio Waiver, your waiver service coordinator and care manager will work with you to safely transition your services if you leave the MyCare Ohio Waiver. At any point, if you are disenrolled from MyCare for reasons such as moving out of a MyCare county or losing Medicare eligibility, your MyCare waiver service coordinator will work with your new waiver entity to ensure a smooth transition, allowing you to continue to receive necessary care and remain independent in your community.

**If you have questions**, please call Buckeye Health Plan-MyCare Ohio Member Services 1-866-549-8289 (TTY: 711) 8:00 am to 8:00 pm. The call is free. **For more information**, visit [mmp.buckeyehealthplan.com](http://mmp.buckeyehealthplan.com). A waiver service coordinator or a care manager can be contacted at any time at 1-866-549-8289.

## Self-directed opportunities

If you have a need for certain waiver services, determined by your waiver service coordinator and care team, you or your authorized representative may have the option to self-direct some of your services.

Self-directing services includes assuming employer authority and/or budget authority.

Employer authority means you will assume responsibilities of being your provider's employer. You will be responsible to recruit, hire, train, direct, and even terminate that provider, if necessary. The option to have employer authority may only be available if your waiver service coordinator, care manager, and care team determined that you need either of the following services:

- Personal care service; or
- Choices home care attendant service.

Budget authority means you will assume responsibility for establishing a rate of pay and scheduling when services are provided within certain parameters. The option to have budget authority may only be available if your waiver service coordinator, care manager, and care team determined you need any of the following services:

- Choices home care attendant service.
- Alternative meals service.
- Home maintenance and chore service.
- Home modifications.
- Home medical equipment and supplemental adaptive and assistive devices service.

Employer responsibilities:

Before you can self-direct your care, your ability and willingness to learn about the expectations of an employer must first be considered. When you choose to exercise employer authority, you must utilize the MyCare Ohio Financial Management Services (FMS) vendor who will process payroll for your provider. In

Please note the person helping in this manner cannot be your employee.
